

## 2018 Hike Safety

The 2018 Hike only passes alongside State Road for two segments, both in the afternoon: 0.3 miles upon exiting Polly Hill Arboretum, and a few hundred feet before reaching Buttonwood Farm Road. There are several longer stretches of walking on dirt roads – primarily Tea Lane in the morning and John Hoft Road in the afternoon. The hike crosses North Road once and State Road twice.

**PLEASE KEEP ALERT WHEN CROSSING OR ALONGSIDE ROADS**
