### 2019 Hike

The 2019 Hike crosses State Road between Red Coat Hill Path and the Tisbury Meadow Reservation – exceptional care is necessary in crossing. Pay attention for traffic on the road; not to other hikers! Just before arriving at the YMCA for the lunch break, the hike crosses both Vineyard Haven-Edgartown Road and Barnes Road. In the afternoon, before reaching Trade Wind Fields Preserve, the hike runs alongside the residential streets Alpine and Pennsylvania avenues, then crosses County Road. Upon exiting Farm Pond Preserve at South Circuit Avenue, residential roads are used before crossing Seaview Avenue. Seaview Avenue is soon crossed again at the crosswalk to access the shared use (bike) path. The hike uses the shared use path for over a mile to Little Bridge.

**KEEP ALERT WHEN CROSSING OR WHEN WALKING ALONGSIDE ROADS.**
