

IMPORTANT POLICY UPDATE

November 24, 2015

RE: Tisbury Properties- Ripley's Field Preserve, Tisbury Meadow Preserve and Wapatequa Woods (South)

Hunting Applicants:

The land bank has recently been required to alter its Hunting Policy regarding muzzleloader hunting within the town of Tisbury. **The Land Bank no longer allows muzzleloader (primitive weapon) hunting on any of its Tisbury Properties (e.g. Tisbury Meadow, Ripley's Field and Wapatequa Woods (South)).** This abrupt change is due to a request by the Tisbury Selectman and the police chief to comply with an old by-law prohibiting the discharging of firearms within the town.

All hunters must comply with this policy change or face legal prosecution from the Tisbury Police and administrative discipline from the land bank. Hunters wishing to continue to hunt during the muzzleloader season at Ripley's or Tisbury Meadow may archery hunt.
